- 13. SEBI vide its circular dated 08th June, 2018 amended Regulation 40 of the Listing Regulation pursuant to which requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialised form. Members holding the shares in physical form are requested to dematerialise their holdings at the earliest as it will not be possible to transfer shares held in physical mode.
  - Further, dematerialisation would facilitate paperless trading through state-of-the-art technology, quick transfer of corporate benefits to members and avoid inherent problems of bad deliveries, loss in postal transit, theft and mutilation of share certificate and will not attract any stamp duty. It also substantially reduces the risk of fraud. Hence, we request all those members who have still not dematerialized their shares to get their dematerialized at the earliest.
- 14. SEBI vide its circular dated 20<sup>th</sup> April, 2018, directed all the listed companies to record the Income Tax PAN and bank account details of all their shareholders holding shares in physical form. All those shareholders who are yet to update their details with the Company are requested to do so at the earliest.
- 15. Pursuant to Section 72 of the Companies Act, 2013, members holding shares in physical form may file nomination in the prescribed Form SH-13 and for cancellation/variation in nomination in the prescribed Form SH-14 with the company's RTA. In respect of shares held in electronic/demat form, the nomination form may be filed with the respective Depository Participant.
- 16. The Register of Members and Share Transfer Books of the Company will remain closed from **Thursday, 23<sup>rd</sup> September, 2021 to Wednesday, 29<sup>th</sup> September, 2021** (both days inclusive) for the purpose of AGM.
- 17. Members are requested to address all correspondence to M/s. Purva Sharegistry (India) Pvt. Ltd, Unit No. 9, Shiv Shakti Industrial Estate, Ground Floor, J R Boricha Marg, Near Lodha Excelus, Lower Parel East, Worli, Mumbai, Maharashtra 400011, who is acting as our Registrar and Share Transfer Agent. Further, kindly quote your folio number and our company's name in all your future correspondences.
- 18. In order to exercise strict control over the transfer documents, members are requested to send the transfer documents/correspondence, if any, directly to the Registered Office of the Company.
- 19. Members desirous of seeking any information/clarification(s) about the Annual Report of the Company are requested to write to the Company at least seven days before the date of meeting. This would enable the Company to compile the information and provide the replies at the meeting.
- 20. Members holding shares in electronic form are requested to intimate immediately any change in their address or bank mandates (if any), to their Depository Participants ("DPs") with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to advice any change in their address or bank mandates immediately to the Company or the Registrar and Share Transfer Agent i.e. M/s. Purva Sharegistry India Pvt. Ltd quoting reference of the registered folio number.
- 21. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore requested to submit their PAN to their Depository Participant(s) with whom they are maintaining their demat accounts and members holding shares in physical form to the Company or to RTA i.e. M/s. Purva Sharegistry India Pvt. Ltd, Mumbai.
- 22. Members holding shares in physical form in multiple folios in identical names are requested to apply for consolidation of such folios along with share certificates to the Company/Registrar and Share Transfer Agent.
- 23. With a view to conserve natural resources, SEBI & the Ministry of Corporate Affairs encourages paperless communication as a contribution to greener environment. Companies can serve Annual

### <u>Overview</u>

The Company was involved in production & selling of agricultural produce like gram, guar, ground nut, onion, bajra etc. & trading in securities and has completed 26 years in this business.

The Company has conducted no business activity during the Financial Year 2020-21 and also, the net worth of the Company is in negative.

Statements in this Management Discussion and Analysis of financial condition and results of operation of the Company describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Forward looking statements are based on certain assumptions and expectations of the future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company assumes no responsibility to publicly amend, modify or revise forward looking statements, on the basis of any subsequent developments, information or events. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include changes in government regulations, tax laws, economic developments within the country and such other factors globally.

### (A) Industry structure and developments

The Indian agricultural industry suffered severe reversals in recent years. The year 2020-21 has also proved to be a challenging one for Indian Agriculture with the adverse effect of Monsoon resulting in scattered and uneven rains across the country. Our Company is not in the state of working currently as the Company has negative net worth.

The Government has provided for higher allocations to agriculture, which augurs well for the current financial year. Some of the thrust areas identified as growth drivers are irrigation, soil health, pulses and crop insurance. Your Company's vision and business strategy remain strongly in sync with the proposed growth areas.

### (B) Opportunities and Outlook

The Board is hopeful of improving in the years to come.

### (C) Segment or product-wise Performance

The Company does not conduct any of its business activities during the year under review.

### (D) Risks, Concerns & Threat

The impact of global health pandemic COVID-19 is a new risk factor which has been added to the list. However, the effect of the pandemic can be seen globally and almost every industry has been greatly affected by this. The organisations are working very hard to make their businesses stable at this tough time. Along with this, the Competition among the companies worldwide, lockdown, lockouts etc. are such common constant risk factors which every company has to consider while working for the growth of the Company.

### (E) Human Resources

Human Resources are key to the success of H R B. The Company try to attract and recruit new talent into the Company. HRB is an equal opportunity employer. The Company has processes in place to prevent discrimination and harassment, including sexual harassment. Whistle Blower Policy is also in place. Currently, the Company has 03 (three) permanent employees working full-time by contributing in the growth of the Company.

### (F) Internal Controls Systems and Adequacy

The Company's internal audit systems and other geared towards ensuring adequate internal controls commensurate with the size and needs of the business, with the objective of efficient conduct of operations through adherence to the Company's policies, identifying areas of improvement, evaluating the reliability of Financial Statements, ensuring compliances with applicable laws and regulations and safeguarding of assets from unauthorized use.

The Internal Audit department monitors and evaluates the efficacy and adequacy of internal control system in the Company, its Compliance with operating systems, accounting procedures at all locations of the Company. Based on the report of internal audit function, process owners undertake corrective actions in their respective areas and thereby strengthen the controls. Significant audit observations and recommendations along with corrective actions thereon are presented to the Audit Committee of the Board.

Moreover, the Company has appointed M/s. C.R. Birla & Co., Chartered Accountants, Jaipur, as its Internal Auditors and they periodically test the efficacy of the prevailing internal control systems and submit their report to the Audit Committee.

### (G) Financial and Operational Performance

The financial and operational performance of the Company for the year under review is discussed in detail in the Board's Report.

### (H) Material Development in Human Resources / Industrial Relations Front

There can be no substitute for the work-force of the Company. The Company expects to continue to get their unflinching support in future also. During the year under review, industrial relations have generally remained unhealthy and non-harmonious. In other words, the Company has not made changes in the human resource and currently have three permanent full time employees.

Further, there is no significant change (change of 25% or more as compared to the immediately previous financial year) in key financial ratios during the year under review and till the date of making this report.

### (I) Cautionary Statement

The statements in the "Management Discussion and Analysis Report" describe your Company's objectives, projections, estimates and expectations which may be "forward-looking statements" within the meaning of the applicable laws and regulations. The actual results could differ materially from those expressed or implied, depending upon the economic and climatic conditions, government policies, taxation and other laws and other incidental factors.

To the Members of M/S HRB FLORICULTURE LTD

### **Opinion**

We have audited the financial statements of M/S HRB FLORICULTURE LTD ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, its loss, changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Description of Key Audit Matter

### 1. Going Concern

See Note No. 28 to Financial Statements

We draw attention to Statement of Profit & Loss for the year ended 31st March 2021 which indicates that the company incurred a net loss of Rs. 5,73,268/- during the year ended 31st March 2021(Rs. 13,71,010/- for year ended 31<sup>st</sup> March, 2020), and as of that date, the Company's current liabilities exceeded the current assets by Rs. 46,04,380/- (Rs 40,60,298/- for year ended 31<sup>st</sup> March, 2020). These events indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

To address this matter, the situation has to be monitored by management in future from time to time.

### Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

### Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/S HRB FLORICULTURE LTD ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- provide reasonable assurance that transactions are recorded as necessary to permit preparation of
  financial statements in accordance with generally accepted accounting principles, and that receipts and
  expenditures of the company are being made only in accordance with authorisations of management
  and directors of the company; and
- 3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Significant Accounting Policies**

### A BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The Ind-AS financial statements of the company have been prepared in accordance with the relevant provisions of the Companies Act, 2013, the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with the Companies (Indian Accounting Standards) Amendment Rules, 2016 and the Guidance Notes and other authoritative pronouncements issued by the Institute of Chartered Accountants of India (ICAI). The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency. The Company's financial statements were authorised for issue in accordance with a resolution of the Board of Directors on 28-06-2021 in accordance with the provisions of the Companies Act, 2013 and are subject to the approval of the shareholders at the Annual General Meeting.

### B PROPERTY, PLANT AND EQUIPMENT

- The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets..
- ii Capital work in progress comprise of those costs that relate directly to specific assets and those that are attributable to the construction or project activity in general and can be allocated to specific assets up to the date the assets are put to their intended use. At the point when an asset is operating at management's intended use, the capital work in progress is transferred to the appropriate category of property, plant and equipment and depreciation commences. Major inspections and overhauls are identified and accounted for as an asset if that component is used over more than one reporting period.
- Depreciation is recognized so as to write off the cost of assets less their residual values over their useful lives, using straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013
- The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

### C <u>IMPAIRMENT</u>

At the end of each reporting period, the carrying amounts of tangible and intangible assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

### D <u>INVENTORIES</u>

Inventories are valued as under: -

- i Agricultural Produce at realizable value
- ii Standing Agricultural Crop- at NIL value
- iii Shares and Securities- At FVTPL

### E SALES

The company is engaged in the sale of agriculture produce.

Ind AS 115 provides a single, principles based five-step model to be applied to all contracts with customers. The five steps in the model are as follows:-

- Identify the contract with the customer;
- Identify the performance obligations in the contract;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations in the contracts;
- Recognise revenue when (or as) the entity satisfies a performance obligation.

The Company has adopted Ind AS 115 using the cumulative effect method. In this method this standard is applied to contracts that are not completed on as at the date of initial application (i.e. April 01, 2018) and the comparative information in the statement of profit and loss is not restated.

There is no impact on the financial statement of the Company on initial application of this standard.

Revenue is recognised upon rendering of promised services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. In case of sales of agricultural product are accounted for as net of discount, Freight, brokerage etc on sale.

For all financial instruments measured at amortised cost, interest income is measured using the Effective Interest Rate (EIR), which is the rate that exactly discounts the estimated future cash flows through the contracted or expected life of the financial instrument, as appropriate, to the net carrying amount of the financial asset.

### F EMPLOYEE BENEFITS

i Short term employee benefits are recognized as an expense at the undiscounted amount in which the related service is rendered

ii

There is no liability of the company as of now towards gratuity or any other long term benefits payable to employees.

### G <u>TAXATION</u>

Current Income Taxes:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised directly in equity is recognised in other comprehensive income / equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Taxes:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, when the deferred tax liability arises from an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit

nor

taxable

profit

or

loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except, when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit orloss.

The concern has not created any deferred tax on carried forward of losses and unabsorbed depreciation due to absence of virtual certainity

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

### H <u>EARNING PER SHARE (EPS)</u>

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shares by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for events including a bonus issue, bonus element in right issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### I FINANCIAL INSTRUMENTS

Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### (i) Financial Assets:

Α

Initial Recognition and Measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset

Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in two categories:

- Financial assets at amortised cost
- Equity instruments measured at fair value through other comprehensive income FVTOCI
- Equity instruments measured at fair value through other comprehensive income FVTPL

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

### Financial Assets at Amortised Cost:

A financial asset is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and any fees or costs that are an integral part of the EIR.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an "accounting mismatch") that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

All other financial assets are measured at fair value through profit or loss.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's statement of financial position) when:

i) The rights to receive cash flows from the asset have expired, or

ii) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement and either;

a. the Company has transferred substantially all the risks and rewards of the asset, or

b. the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### Impairment of financial assets

The company applies the expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposures:

• Financial assets at amortised cost.

For recognition of impairment loss on other financial assets and risk exposures, the company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the company reverts to recognising impairment loss allowance based on 12-month ECL.

### (ii) Financial Liabilities:

Initial Recognition and Measurement:

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables.

Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### Offsetting of Financial Instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise an asset and settle the liabilities simultaneously.

### J PROVISION AND CONTINGENCIES

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a events and it is probable that there will be an outflow resources. When the Company expects some or all of a provision to be reimbursed, the same is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent Liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of enterprise or a present obligation that arises from past events that may, but probably will not, require an outflow of resources.

Both provisions and contingent liabilities are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognized but are disclosed in the notes.

### K <u>LEASES</u>

The company as a lessee

The Company's lease asset classes primarily consist of leases for office premises. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows

### Transition to Ind AS 116

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. However, there is no impact on financial statement of the Company on adoption of this standard.

### L IMPACT OF COVID-19

The World Health Organization announced a global health emergency because of a new strain of coronavirus ("COVID-19") and classified its outbreak as a pandemic on March 11, 2020. On March 24, 2020, the Indian government announced a strict 21-day lockdown across the country to contain the spread of the virus, which has been/was further extended till May 17, 2020 and the same is continuing with minor exemptions. This pandemic and government response are creating disruption in global supply chain and adversely impacting most of the industries which has resulted in global slowdown.

Since, the Company is not carrying any substantial business activities it has been concluded that there is no impact which is required to be recognised in the financial statements as at March 31, 2021. Accordingly, no adjustments have been made to

the financial statements.

### M RECENT ACCOUNTING PRONOUNCEMENTS

On March 24, 2021, the Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. The Company is evaluating the effect of the amendments on its financial statements.

#### 21 Financial Instruments

The significant accounting policies, including the criteria of recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability, and equity instrument are disclosed in Ind AS financial statements.

### (a) Financial assets and liabilities

The carrying value of financial instruments by categories as at March 31, 2021 is as follows:

(Amount in Rs.)

Particulars	Fair Value through Profit or Loss	Amortised Cost	Total carrying value
Financial Assets			
Other Financial Assets	-	-	-
Cash and cash equivalent		58,984	58,984
Bank balances other than cash and cash equivalent		125,307	125,307
Total	-	184,291	184,291
Financial Liabilities			=
Borrowings		3,450,000	3,450,000
Trade Payable		107,513	107,513
Other Financial liabilities		=	-
Total	-	3,557,513	3,557,513

The carrying value of financial instruments by categories as at March 31, 2020 is as follows:

(Amount in Rs.)

Particulars	Fair Value through Profit or Loss	Amortised Cost	Total carrying value
Financial Assets			
Other Financial Assets	=	-	-
Cash and cash equivalent		99,268	99,268
Bank balances other than cash and cash equivalent		118,181	118,181
Total	-	217,449	217,449
Financial Liabilities			
Borrowings		2,675,000	2,675,000
Trade Payable		112,112	112,112
Other Financial liabilities		ı	-
Total	-	2,787,112	2,787,112

Carrying amounts of cash and cash equivalents, trade receivables, loans and trade payable as at March 31, 2019 and March 31, 2018 approximate the fair value because of their short term nature. Difference between the carrying amount and fair values of other financial liabilities subsequently measured at amortised cost is not significant in each year presented.

### Fair Value Hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are whether observable or unobservable and consists of the following three levels:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets and

. liabilities.

Level 2: Inputs are other than quoted prices included within level 1 that are observable for

the asset or liability either directly (i.e. prices) or indirectly (i.e. derived from

prices).

Level 3: Inputs are not based on observable market data unobservable inputs. Fair value are

determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the

same instrument nor are they based on available market data.

The following table summarizes financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured on fair value on recurring basis (but fair value disclosure are required)

As at March 31,2021	Level 1	Level 2	Level 3	Total
Financial Assets :				
Inventory of Shares and Securities	270,842	-	-	270,842

Financial Assets:				
Inventory of Shares and Securities	22,215	-	-	22,215
Total	22,215	-	-	22,215

### (b) Financial Risk Management

The Board of Directors reviews the risk management policy from time to time and the said policy aims at enhancing shareholders' value and providing an optimum risk-reward trade off. The risk management approach is based on clear understanding of variety of risk that the organisation faces, disciplined risk monitoring and measurement and continuous risk assessment and mitigation measures.

A brief description of the various risks which the company is likely to face are as under:

### (i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market conditions. Market risk comprises three types of risk: interest rate risk, credit and default risk and liquidity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTPL investments.

#### (ii) Interest Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company do not have borrowing from outside parties and also invested its money in fixed depsoit so its interest risk is negligible.

### (iii) Credit Risk and Default Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables, business advances/deposit given) and from its investing activities (primarily loans granted to various parties including related parties). Since, Company's receivable is only from related parties and banks credit and default risk is minimal.

### (iv) Liquidity risk

The company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts and loans.

### 22 Income Taxes

The Company is subject to Indian income tax on a standalone basis. Entity is assessed to tax on taxable profits determined for each fiscal year beginning on April 1 and ending on March 31. For each fiscal year, the entity profit or loss is subject to the higher of the regular income tax payable or the Minimum Alternative Tax ("MAT").

Provision for tax is determined based on book profits prepared under generally accepted accounting principles and adjusted for, inter alia, the Company's assessment of allowable expenditure (as applicable), including exceptional items, set off of tax losses and unabsorbed deprecation. Statutory income tax is charged at 30% plus a Surcharge and Cess. MAT for the fiscal year 2017-18 is payable at 18.5% plus Surcharge and Cess. MAT paid in excess of regular income tax payable during a year can be carried forward and set off against regular income taxes payable within a period of twelve years succeeding the fiscal year in which MAT credit arises.
